UNDER THE WHEELS.

A Houston and Texas Central Brakeman Ground to Death at Dallas Last

Special to the Gazette.

Dallas, Tex., Cet. 6.—To night Henry Daniels, a brakeman in the Houston and Texas Central yards, while making a coupling shaped and fell mater a moving train and was instantly kiliad. His right lea and both arms were badly broken, and nearly cut from the bads, while he was otherwise horribly manaried. He is a widower and leaves two children. He has worked here about a year, having come from Fort Worln.

A REMARKABLE CASE.

A Man Living With a Broken Neck, the vertebras Held Together by Wires. Palladelphia Tiedger.

min now being treated at the united college hospital. The of Patterson, aged thirty-three vas born in Bevaria, but came notes about sixteen years ago-curs ago he secured employment this alde, rupturing the sixth lar. A few weeks since he went to the Jef-ferson hospital to ascertain if the pains could be cured. Dr. Egan has charge of him, and when first spoken to by the man min, and which has sponen to by the man, who described is experience, was slow to be convinced. However, after reading a printed account thereof and examining him. Dr. Egan pronounced it an instance rarely, if ever, known in the annals of sur-

Jackson, Miss., Oct. 2 - Judge G. S. Mc-Millan of Brookhaven, who has been figuring on the census, declares that it shows that the odest people tow living in the United States reside in the southern person of this state. He clies the following stances, all the parties being personally

known to him: Near Union Church lives Mrs. Elizabeth Melntyre, aged 101 years, and in the same beighborhood is Mrs. Mary Goodson, aged 110 years. Both were been near where they live. Mrs. Meintyre has a sister living near Byram who is 110 years old. James Stewart, living eight miles south-west of of Brookhaven, is 104 years old. He is in good health, and has his second eye-sight, seeing almost as well as he ever did. He worked some in the field this year, and ides regularly on horseback into town. fore Mississippi was a state.

THE GAZETTE MACHINE

How the People Can Save \$25 on a First

at sewing machine is noiseless machine, equality, and when a first-class machine, equality and the money, it is the care of wisdom and economy to save the useless expenditure. Ladies who wish to buy a first-class high-arm No. 4 sewing ma-chine can see such a machine at TRE GAZ-riff business office, and they can buy such machine for only \$23 if they subscribe to the weekly, daily or Sunday Gazette.

The Cotton Report.

Special to the Gazette. Special to the Gazette.

New ORLEANS, LA., Oct. 6.—Atwood, Violett & Co. say: Futures—All markets are very dull, the result of the uncertainty regarding the figures of the bureau on Saturday next. In this connection we call attention to the fact that as the report is not recomplished until 10 colon. not promulgated until 12 o'clock Eastern time, and as Liverpool will be closed, this market will be the orly one that will be market will be the orly one that will be open after the report is known. New York closing at 12 o'clock and the report not reaching there until later will prevent any official trading there, therefole it will only be known here. By the Monday following all markets will have had an opportunity of digest. have had an opportunity of digest-ing it and then there will be only private crop accounts and the movement of cotton to depend upon as the controlling influences on the market. Port receipts to-day are larger than expected this morning, footing 1.000 bales, against 59,000 bales last

Port stocks are 312,000 bales, larger than

Port stocks are 312,000 bales, larger than last year. The interior movement promises to be quite as large as expected.

Notwithstanding all this, however, the market is 6 points higher than yesterday, New York, 4 to 5 points higher, while Liverpool closes firm at about yesterday's closing figures. Receipts here to-morrow are estimated at 9000 bales, against 9800 last year, and 33,000 bales at all ports last year. The difficulty of selling either spots, or to arrive, gives little encouragement to er to arrive, gives little encouragement to buy contracts at present premiums. Of the spot sales of 4000 bales to-day, 2500 were sold yesterday. Spots closed steady. Sales, 4000 bales.

Spots closed steady. Sales, 4000 bales. Quotations unchanged.

F. o. b.—Sales, 1000 bales. Demand principally for Liverpool, good middling and middling to strict middling. It is hard to effect sales, as buyers prefer to operate on the spot. Liverpool and German buyers are still in the market.

Governments, Stocks and Bonds.

New York, Oct. 6.—The stock market to-day, to the surprise of the street and New York operators, failed to display either much volume of business or the width of fluctuations usual of late, and the market finally closed quiet but firm at gen erally insignificant gains over first prices, and with most of the list practically at last night's figures.

Government bonds-Dull but firm. State bonds-Dull and steady Hailroad bonds were affected by the hesi-tating temper of the stock list, and while transactions covered an unusually large number of issues, final changes are quite irregular, although advances are in the

Loxnox, Oct. 6 .- At the wool sales to day 12,004 bales were offered. The offer-ings were generally of a good quality and contained a large assortment of New South Wales and New Zealand wools. Buyers were more active in the home trade. The largest operators were French. Competi-

tion is improving.

New South Wales—3000 bales. Scoured, 3% docts 3% d; locks and pieces, 5% docts 3, d; greasy, 4% wild; locks and pieces, 3 w5% d. Queensland—1200 bales. Scoured, 90 m is 4d; locks and pieces, 8% docts 9d; greasy, Melbourne and Victoria—2200 bales. Scoured, 8d@ls 6%d; locks and pieces, 4% dic ls 2d; greasy, 4% @11% d; locks and pieces, 3@7% d.

pieces, 7d. Greasy, 7@94.d. New Zealand—3300 bales. Scoured, 8d@ 1s Sd; locks and pieces, 4d@1s.fd; Greasy, 5%(@1s.2/d; locks and pieces, 4@84. Cape of Good Hope and Natal—2100 bales. Styde is 35d. Greasy, 5568d locks and pieces, 217d.

TELEGRAPHIC BREVITIES.

A terrible gale prevailed in the Irish sea last night, and it is believed much damage was caused to shipping.

A fire at Braddock, Pa., burned six frame ouses. James McGuire perished in the flames. Loss about \$2500.

At Republic, Mich., Nelo Lundstrum, a lumberman, was found dead on the rail-road track with a bullet in his back. A sum of money was found in his breast pocket. It has been decided to reinstate all those

officials of the Dominion department of the interior who were suspended as a result of the revelations made before the public accounts committee. At Manhattan, Mont., sixty-five horses, 3000 bushess of oats and other feed, were destroyed by the burning of a barn of the

Manhattan malting company yesterday. Loss \$10,000, insured. The Norwegian bark Europe, after a stormy passage of 160 days from Hamburg, has arrived at San Francisco. Three of

her crew died, and one was washed over-board during the passage.

At Sacramento, Richard V. Olinde, a blacksmith, shot his wife twice and killed her, because she refused to drop divorce proceedings on account of brutality. He then shot and killed himself. A band of brigands made a desperate at-

tempt to wreck a passenger train in Turkey by tearing up the track. The engineer dis-covered the trouble in time to avoid the catastrophe, and the brigands ran off. At Eric, Pa., Mrs. Joseph Johnston was killed by the capsizing of a carriage in which her husband. Mrs. D. Clark and her-self were riding yesterday. Mrs. Clark and Mr. Johnston were were badly injured.

The will of the late Mrs. Theresa Fair

was admitted to probate, despite the as-sertion of the attorney for Charles Fair, that a later will was in existence. The

estate in San Francisco is valued at \$4,

Three cases of sealskins and imported shawls were stolen from a freight car between Lake City and Redwing, Minn., Saturday. A number of railway detectives are seeking to recover the goods, valued up in the thousands, and arrest the thieves,

WACO KEEPS HER DAY BY SEND-ING A GOOD CROWD.

The Exhibits Do Credit to the Occasion. The Award of Premiums in the Ring. The New Directors.

Special to the Gazette.

Special to the Gazette.

McGregor, McLennan County, Tex., Oct. 6.—This was Waco day and she did the gallant thing by the great Texas Grange fair. At 9 o'clock the first special train on the Southwestern from Waco came in loaded to the guards. At 12 o'clock another train arrived with a large delegation.

A special arrived from Townie also, with A special arrived from Temple, also, with

a large crowd. The attendance to-day ex-ceeded any previous day, and the weather has been all that couldbe desir ed, notwithstanding the low temperature has been a heavy strain on the ladies' summer wraps. Everything was in first-class trim this morning, all the exhibits having been arranged. Owing to the cool wind that blew stiff from the northeast during the experience of the day the experience. greater portion of the day, the exposition building has been a popular resort and a dense crowd has been surging through the

dense crowd has been surging through the building all day. The exhibits in the differ-ent departments are good and do the occas-sion great credit.

In the agricultural department is found a magnificent display of the boundless re-sources of Texas, varying from corn to ba-parts and organes.

nams and oranges.

Fruits of all varieties, green, canned, preserved and dried, are among the exhibits.

There are more than 150 varieties of Texas

wood on exhibition here.

They also have a very creditable exhibit of cotton and woolen goods manufactured

in Texas mills. in Texas mills.

In the art department is a good display of home talent.

As an expert judge of lemon custard pie and jelly layer cake we can say without fear of successful contradiction that the culin-

ary department displayed a science of cookary department dispayed a science of coos-ery that can only be found in the country. For downright solid comfort a Granger pie, dumpling or yellow-legged chicken, fried a la Granger, always takes the blue ribbon. Getting through the culinary department was like getting a train over a washout— tallows and unsertain as to results. tedious and uncertain as to results.

A thorough course in the textile depart-ment resulted almost inevitably in a case of imjams, unless one's nerves were very steady. The strange freaks of the needle wrought a display in this department as in-comprehensible as the Chinese language would be to the average Granger. One Granger was heard to remark, after survey-ing a dazzling quilt of many colors from various standpoints, "That thing looks like it

had been struck with lightning."
"No, John," remarked the girl hanging on his arm and chewing wax, "that's a cray-cullt." crazy-quilt."

The machinery and farm implement exhibit comprise a very interesting feature of the fair, and one in which the Granger is

particularly interested.

The stock and poultry exhibits surpass anything we have ever seen outside of the
